Data	We only collect anonymous information.	We use technologies like cookies (small files stored by your browser), web beacons, or unique device identifiers to anonymously identify your computer or device so we can deliver a better experience. Our systems also log information like your browser, operating system and IP address. We do not collect personally identifiable information about you. In other words, we do not collect information such as your name, address, phone number or email address. However, when signing the IoT Manifesto your name and company will be stored on our servers and visible to other visitors. We do not knowingly contact or collect personal information from children under 13. If you believe we have inadvertently collected such information, please contact us so we can promptly obtain parental consent or remove the information.
Location	We do not store or share your precise location.	We do not use or collect your precise geographic location.
Access	You can request to see your personal data.	You can also contact us by email to request to see any personally identifiable information we have stored, such as your name, email, address or phone number.
Deletion	We may keep data indefinitely.	We may keep data indefinitely.
Sharing	We don't share your personal data with other companies.	We generally do not share personally identifiable information (such as name, address, email or phone) with other companies.
Ad Tracking	No ad companies collect data through our service.	We do not allow advertising companies to collect data through our service for ad targeting.

Contact	You can ask privacy questions.	If you have any questions or concerns about our privacy policies, please contact us at [INFO@IOTMANIFESTO.ORG] or [IOTMANIFESTO, VOORHAVEN 57, 3025HD, ROTTERDAM, THE NETHERLANDS]
Vendors	Analytics providers access data on our behalf.	Analytics companies may access anonymous data (such as your IP address or device ID) to help us understand how our services are used. They use this data solely on our behalf. They do not share it except in aggregate form; no data is shared as to any individual user. Click to see company privacy policies that govern their use of data.
More		This privacy policy was last updated on May 6th 2015. Our privacy policy may change from time to time. If we make any material changes to our policies, we will place a prominent notice on our website. If the change materially affects registered users, we will send a notice to you by email, push notification or text.
Updates	Getting in touch	By signing the IoT Manifesto we will send you one (1) email to inform you on the options how to stay up-to-date on the developments around the manifesto.
